Terms and Conditions of Service
Clean Power Alliance electric generation rates are competitive. Available rates can be reviewed at cleanpoweralliance.org or by contacting Clean Power Alliance at 888-585-3788 (TTY 323-214-1296). **Clean Power Alliance rates are subject to change and changes will be adopted at duly noticed public meetings of the Clean Power Alliance Board of Directors.**

Southern California Edison (SCE) collects from Clean Power Alliance customers authorized charges for delivering power to your home or business and for providing other services. These components of your electric bill are the same whether you buy electricity from Clean Power Alliance or SCE.

Southern California Edison also charges Clean Power Alliance customers a Power Charge Indifference Adjustment (PCIA) and a Franchise Fee Surcharge. Both are calculated based on the number of kilowatt hours used each month. The PCIA is intended to ensure that customers who switch to Clean Power Alliance pay for energy that was acquired by SCE to serve them prior to their switch. Note that Clean Power Alliance rates are competitive with SCE's rates, even with these fees.

Billing: Each month, Clean Power Alliance customers receive a single monthly bill from SCE, just as they would under SCE bundled service. This bill includes all electric charges, including Clean Power Alliance's power generation charges. SCE will continue to charge you for transmission and distribution services they provide; this includes the cost of transmitting electricity to your home or business.

Enrollment: You were automatically enrolled in Clean Power Alliance, unless you opted out, on your scheduled meter read date on or following May 1, 2019.

Discount Programs: If you are currently enrolled in the California Alternative Rates for Energy (CARE) program, the Family Electric Rate Assistance (FERA) program, Medical Baseline, Level Pay or Summer Discount Program, you will continue to receive all benefits and discounts as a Clean Power Alliance customer.

Opt out: You have the right to opt out without penalty at any time. You will not be charged any fees by Clean Power Alliance if you opt out or if you cancel electric service altogether (for example, if you move). However, customers who opt out of Clean Power Alliance after service launch may be charged a one-time account processing fee by SCE (currently 50 cents*), and will be prevented

by SCE from returning to Clean Power Alliance for a minimum of twelve months. By opting out, you will also be subject to SCE's then current rates and terms and conditions of service. For details on SCE's rates and terms and conditions, please visit sce.com/tnc. If you opt out, you will still be charged for all electricity you used before the transfer of electric service. Accounts will be transferred when the electric meter is read and cannot be transferred during the middle of a billing cycle. In order for your request to be processed on your next meter read date, your request must be received at least 5 business days prior to the date on which the meter is read. To opt out, please call Clean Power Alliance at 888-585-3788 (TTY 323-214-1296) or visit cleanpoweralliance.org. Please have your electric bill handy so you have the information needed to process the request.

Failure to pay: Clean Power Alliance may transfer your account to SCE upon 14 calendar days' written notice to you if you fail to pay any portion of the Clean Power Alliance charges on your bill. If your service is transferred, you may be subject to additional requirements by SCE.

**SCE's one-time account processing fee is subject to change. View SCE's fees at www.sce.com/regulatory/tariff-books.*

How does it work?

You previously received notices informing you that we would be your new electricity provider. **Starting May 2019, you are officially a Clean Power Alliance customer enrolled on the rate option chosen by your city (100% Green Power) or the one you selected.** The 100% Green Power rate option provides carbon-free energy and gives organizations the opportunity to join their city in leading the way to a healthier future.

SCE will continue to deliver power, mail your bill, be responsible for resolving any service issues, and qualified customers will continue to receive financial assistance, rebates, and incentives.

To learn more, change your rate, or opt out and return to SCE, visit cleanpoweralliance.org/rates or call us at 888-585-3788 (TTY 323-214-1296).

Pricing is for a typical business customer and subject to Clean Power Alliance Terms and Conditions of Service.

¿Cómo funciona?

Anteriormente recibió avisos informándole de que nosotros seríamos su nuevo proveedor de electricidad. **A partir de mayo de 2019, usted es oficialmente cliente de Clean Power Alliance con la opción de tarifa escogida por su ciudad (100% Green Power) o la que usted haya seleccionado.** La opción de tarifa de 100% Green Power ofrece energía libre de carbono y da a organizaciones la oportunidad de unirse a su ciudad para liderar el camino hacia un futuro más saludable.

Los cambios a su cuenta entrarán en vigencia en la siguiente fecha de lectura de su medidor y factura. No importa cuál sea la opción de tarifas, Clean Power Alliance ofrece los beneficios compartidos de la administración y el control local, tarifas estables y competitivas, y mayor contenido de energía renovable.

El precio es para un cliente comercial típico y está sujeto a los Términos y condiciones de servicio de Clean Power Alliance. Para informarse más, cambiar su tarifa u optar por dejar el servicio y regresar a SCE, visite cleanpoweralliance.org/rates o llámenos al 888-585-3788 (TTY 323-214-1296).

What are the benefits?

100% Green Power will cost 7-9% more than SCE's default rate and currently costs about 3-5% less than SCE's 100% renewable rate. Making this investment is an easy way to join your community in reducing pollution, highlight your business' commitment to the environment, and support your local community. For opportunities to be recognized for going green, visit cleanpoweralliance.org/greenleader.

Explore our other current rate options: Lean Power which provides a 1-2% overall bill savings compared to SCE and Clean Power which provides a 0-1% overall bill savings compared to SCE and currently costs about 7% less than SCE's 50% renewable rate. Changes to your account will be effective on your next meter read date and bill. **Compare your Clean Power Alliance and SCE rate options by using our bill comparison tool at cleanpoweralliance.org/compare to decide which option is best for your organization's priorities.**

No matter the rate option, Clean Power Alliance offers the shared benefits of local management and control, stable, competitive rates, and higher renewable content.

它如何運作？

您之前收到通知，告知您我們將是您的新電力供應商。從2019年5月起，您正式成為清潔電力聯盟用戶，您的費率方案是由您所在的城市選定（100% Green Power）或由您自己選擇的。100% Green Power（綠色電力）費率方案提供無碳能源，並且讓不同的組織機構有機會和自己的城市共同努力，引領社會走向更健康的未來。

對您帳戶所做的變更將在您下一次的電錶讀取日生效並反映在您的帳單上。無論是哪一種費率方案，清潔電力聯盟都會提供同樣的本地管理與控制、穩定、具競爭力的價格，以及更高可再生含量等益處。

定價適用於典型的商業客戶，並受清潔能源聯盟條款和服務條款的約束。如要瞭解詳情，更改方案，或退出服務並回到SCE，請造訪cleanpoweralliance.org/rates或致電888-585-3788（TTY 323-214-1296）與我們聯繫。
