# Notice from your new electricity provider, Clean Power Alliance!

You now enjoy the benefits of clean, renewable power at competitive rates.

Access terms and conditions in other languages at [cleanpoweralliance.org](https://cleanpoweralliance.org).

## Terms and Conditions of Service

Clean Power Alliance electric generation rates are competitive. Available rates can be reviewed at [cleanpoweralliance.org](https://cleanpoweralliance.org) or by contacting Clean Power Alliance at 888-585-3788 (TTY 323-214-1296). Any changes to Clean Power Alliance rates will be adopted at duly noticed public meetings of the Clean Power Alliance Board of Directors.

Southern California Edison (SCE) collects from Clean Power Alliance customers authorized charges for delivering power to your home or business and for providing other services. These components of your electric bill are the same whether you buy electricity from Clean Power Alliance or SCE.

Southern California Edison also charges Clean Power Alliance customers a Power Charge Indifference Adjustment (PCIA) and a Franchise Fee Surcharge. Both are calculated based on the number of kilowatt hours used each month. The PCIA is intended to ensure that customers who switch to Clean Power Alliance pay for energy that was acquired by SCE to serve them prior to their switch. Note that Clean Power Alliance rates are competitive with SCE's rates, even with these fees.

**Billing:** Each month, Clean Power Alliance customers receive a single monthly bill from SCE, just as they would under SCE bundled service. This bill includes all electric charges, including Clean Power Alliance's power generation charges. SCE will continue to charge you for transmission and distribution services they provide; this includes the cost of transmitting electricity to your home or business.

**Enrollment:** You were automatically enrolled in Clean Power Alliance, unless you opted out, on your scheduled meter read date on or following September 1, 2020.

**Discount Programs:** If you are currently enrolled in the California Alternate Rates for Energy (CARE) program, the Family Electric Rate Assistance (FERA) program, Medical Baseline, Level Pay or Summer Discount Program, you will continue to receive all benefits and discounts as a Clean Power Alliance customer.

**Opt out:** You have the right to opt out without penalty at any time. You will not be charged any fees by Clean Power Alliance if you opt out or if you cancel electric service altogether (for example, if you move). However, customers who opt out of Clean Power Alliance after service launch may be charged a one-time account processing fee by SCE (currently 50 cents\*), and will be prevented

by SCE from returning to Clean Power Alliance for a minimum of twelve months. By opting out, you will also be subject to SCE's then current rates and terms and conditions of service. For details on SCE's rates and terms and conditions, please visit [sce.com/tnc](https://sce.com/tnc). If you opt out, you will still be charged for all electricity you used before the transfer of electric service. Accounts will be transferred when the electric meter is read and cannot be transferred during the middle of a billing cycle. In order for your request to be processed on your next meter read date, your request must be received at least 5 business days prior to the date on which the meter is read. To opt out, please call Clean Power Alliance at 888-585-3788 (TTY 323-214-1296) or visit [cleanpoweralliance.org](https://cleanpoweralliance.org). Please have your electric bill handy so you have the information needed to process the request.

**Failure to pay:** Clean Power Alliance may transfer your account to SCE upon 14 calendar days' written notice to you if you fail to pay any portion of the Clean Power Alliance charges on your bill. If your service is transferred, you may be subject to additional requirements by SCE.

\*SCE's one-time account processing fee is subject to change. View SCE's fees at [www.sce.com/regulatory/tariff-books](https://www.sce.com/regulatory/tariff-books).

# How does it work?

On your recent electricity meter read date, you became a Clean Power Alliance customer at the rate option chosen by your community, Clean Power, with 50% renewable energy, but you can choose a different rate at any time. SCE will continue to deliver power, send bills, resolve any electricity service issues, and offer incentives to qualified customers.

Clean Power Alliance previously became the default option for your community, but enrollment for Net Energy Metering (NEM) customers was deferred until the end of your SCE NEM relevant period.

To learn more, change your rate, or opt out and return to SCE, visit [cleanpoweralliance.org](http://cleanpoweralliance.org) or call us at 888-585-3788 (TTY 323-214-1296).

Pricing is for a typical residential or business customer. Select commercial rates may be higher. Contact Clean Power Alliance for more information.

## ¿Cómo funciona?

En la reciente fecha de lectura de su medidor de electricidad, usted se convirtió en cliente de Clean Power Alliance con la opción de tarifa escogida por su comunidad (Clean Power) con un 50% de energía renovable, pero puede escoger una tarifa diferente en cualquier momento. SCE seguirá transmitiendo energía, enviando facturas, resolviendo cualquier problema del servicio eléctrico y ofreciendo incentivos a los clientes cualificados.

Clean Power Alliance se convirtió anteriormente en la opción predeterminada para su comunidad, pero la inscripción para los clientes con Conteo Neto de Energía (Net Energy Metering o NEM) fue diferida hasta el final de su periodo relevante de NEM con SCE.

## ¿Cuáles son los beneficios?

Si no hace nada, continuará con la tarifa predeterminada de su comunidad, Clean Power (Energía Limpia), con un ahorro general en su factura del 0-1% comparado con SCE. O puede explorar nuestras otras opciones de tarifas: Lean Power (Energía Lean) que ofrece un ahorro general en su factura del 1-2% comparado con SCE y 100% Green Power (Energía Verde) que significa un aumento general en su factura del 7-9% comparado con SCE. Compare sus opciones de tarifas de Clean Power Alliance y de SCE en [cleanpoweralliance.org/compare](http://cleanpoweralliance.org/compare) para decidir qué opción es la mejor para usted. No importa cuál sea la tarifa, Clean Power Alliance ofrece los beneficios compartidos de la administración y el control local, tarifas competitivas, y mayor contenido de energía renovable.

Los precios que se muestran abajo son para un cliente residencial o comercial típico. Ciertas tarifas comerciales pueden ser más altas. Por favor contacte a Clean Power Alliance para más información.

Para informarse más, cambiar su tarifa u optar por dejar el servicio y regresar a SCE, llámenos al 888-585-3788 (TTY 323-214-1296) o visite [cleanpoweralliance.org](http://cleanpoweralliance.org).

# What are the benefits?

If you do nothing, you will continue at your community's default rate of Clean Power, with a 0-1% overall bill savings compared to SCE. Or you can explore our other rate options: Lean Power provides a 1-2% overall bill savings compared to SCE and 100% Green Power provides a 7-9% overall bill premium compared to SCE. Compare your Clean Power Alliance and SCE rate options at [cleanpoweralliance.org/compare](http://cleanpoweralliance.org/compare) to decide which option is best for you. No matter the rate, Clean Power Alliance offers the shared benefits of local management and control, competitive rates, and higher renewable content.

## 它是如何運作的？

在最近的電錶讀取日，您會自動以您社區選擇的清潔電力費率選項成為清潔電力聯盟的客戶，使用50%的可再生能源，但是您可以隨時選擇不同的費率。SCE將繼續提供電力，發送賬單，解決任何電力服務問題，並向合格的客戶提供激勵措施。

清潔電力聯盟以前成為您社區的預設選項，但是淨能量計量 (NEM) 客戶的註冊被推遲到SCE NEM相關時期的末期。

## 有什麼益處？

如果您什麼都不做，則將繼續按照社區的預設清潔電力率進行，與SCE相比，可節省總賬單的0-1%。或者，您也可以探索我們的其他費率選項：與SCE相比，精益電力節省了總賬單的1-2%，與SCE相比，100%綠色電力節省了總賬單的7-9%。前往 [cleanpoweralliance.org](http://cleanpoweralliance.org) 比較您的清潔電力聯盟和SCE費率選項去選擇最適合您的選項。無論費率如何，清潔能源聯盟都可提供本地管理和控制，具有競爭力的費率以及更高的可再生能源含量的共享優勢。

下面顯示的價格適用於典型的住宅或商業客戶。選擇商業費率的可能略高。請聯繫清潔電力聯盟以獲取更多信息。

了解詳情，更改費率或退出並返回SCE，請致電888-585-3788 (TTY 323-214-1296) 與我們聯繫，或造訪[cleanpoweralliance.org](http://cleanpoweralliance.org)。
