Terms and Conditions of Service

Clean Power Alliance electric generation rates are competitive. Available rates can be reviewed at cleanpoweralliance.org or by contacting Clean Power Alliance at 888-585-3788 (TTY 323-214-1296). **Clean Power Alliance rates are subject to change and any changes will be adopted at duly noticed public meetings of the Clean Power Alliance Board of Directors, available at cleanpoweralliance.org/agendas.**

Southern California Edison (SCE) collects from Clean Power Alliance customers authorized charges for delivering power to your home or business and for providing other services. These components of your electric bill are the same whether you buy electricity from Clean Power Alliance or SCE. Southern California Edison also charges Clean Power Alliance customers a Power Charge Indifference Adjustment (PCIA) and a Franchise Fee Surcharge. Both are calculated based on the number of kilowatt hours used each month. The PCIA is intended to ensure that customers who switch to Clean Power Alliance pay for energy that was acquired by SCE to serve them prior to their switch. Note that Clean Power Alliance rates are competitive with SCE's rates, even with these fees.

Billing: Clean Power Alliance customers receive billing statements from SCE, just as they would under SCE bundled service, which include Clean Power Alliance charges for power generation. SCE will continue to charge you for transmission and distribution services they provide; this includes the cost of transmitting electricity to your home or business.

Enrollment: You were automatically enrolled in Clean Power Alliance, unless you opted out, on your scheduled meter read date on or following October 26, 2020.

Discount Programs: If you are currently enrolled in the California Alternate Rates for Energy (CARE) program, the Family Electric Rate Assistance (FERA) program, Medical Baseline, Level Pay or Summer Discount Program, you will continue to receive all benefits and discounts as a Clean Power Alliance customer.

Opt out: You have the right to opt out without penalty at any time. You will not be charged any fees by Clean Power Alliance if you opt out or if you cancel electric service altogether (for example, if you move). However, customers who opt out of Clean Power Alliance after service launch may be charged a one-time account processing fee by SCE (currently 50 cents*) and will be prevented by SCE from returning to Clean Power Alliance for a minimum of twelve months. By opting out, you will also be

subject to SCE's then current rates and terms and conditions of service. For details on SCE's rates and terms and conditions, please visit sce.com/tnc. If you opt out, you will still be charged for all electricity you used before the transfer of electric service.

Accounts will be transferred when the electric meter is read and cannot be transferred during the middle of a billing cycle. In order for your request to be processed on your next meter read date, your request must be received at least 5 business days prior to the date on which the meter is read. To opt out, please call Clean Power Alliance at 888-585-3788 (TTY 323-214-1296) or visit cleanpoweralliance.org. Please have your electric bill handy so you have the information needed to process the request.

Failure to pay: Clean Power Alliance may transfer your account to SCE upon 14 calendar days' written notice to you if you fail to pay any portion of the Clean Power Alliance charges on your bill. If your service is transferred, you may be subject to additional requirements by SCE.

*SCE's one-time account processing fee is subject to change. View SCE's fees at www.sce.com/regulatory/tariff-books.

How does it work?

Your community chose to offer you new clean energy options through Clean Power Alliance. You are automatically receiving energy purchased by Clean Power Alliance that has 100% renewable energy content, is entirely carbon-free, and is competitively priced with Southern California Edison (SCE).

On your recent electricity meter read date on or after October 26, 2020, you were automatically enrolled at the default level chosen by your community, 100% Green Power, with 100% renewable energy, but you can choose a different rate at any time. SCE will continue to deliver power, send bills, resolve any electricity service issues, and offer incentives to qualified customers.

Please note your neighbors may have already started Clean Power Alliance service, but due to an SCE system issue, your enrollment with us was delayed.

To learn more, change your rate, or opt out and remain with SCE, contact us at 888-585-3788 (TTY 323-214-1296) or visit cleanpoweralliance.org.

¿Cómo funciona?

Su comunidad optó por ofrecerle nuevas opciones de energía limpia mediante Clean Power Alliance. Usted está recibiendo automáticamente energía comprada por Clean Power Alliance que tiene un contenido de 100% de energía renovable, es completamente libre de carbono y cuyo precio es competitivo con Southern California Edison (SCE).

En la reciente fecha de lectura de su medidor de electricidad a partir del 26 de octubre de 2020, fue inscrito automáticamente en el nivel predeterminado escogido por su comunidad, 100% Green Power (Energía 100% Verde), con un 100% de energía renovable, pero puede escoger una tarifa diferente en cualquier momento. SCE seguirá entregando energía, enviando facturas, resolviendo cualquier problema con el servicio de electricidad y ofreciendo incentivos a los clientes que cualifican.

Por favor tenga en cuenta que es posible que sus vecinos ya hayan empezado el servicio con Clean Power Alliance, pero debido a un problema con el sistema de SCE, se retrasó su inscripción con nosotros.

Para informarse más, cambiar su tarifa u optar por dejar el servicio y permanecer con SCE, llámenos al 888-585-3788 (TTY 323-214-1296) o visite cleanpoweralliance.org.

它是如何運作的？

您的社區選擇由清潔電力聯盟為您提供清潔能源新方案。您現在自動獲得由清潔電力聯盟購買的能源，它的可再生能源含量為100%，而費用與南加州愛迪生公司（SCE）的價格具有同樣的競爭力。

在您最近一次的電錶讀取日，也就是2020年10月26日當天或之後某一天，您被自動登記參加您社區選擇的預設電力方案——可再生能源含量100%的Green Power（綠色電力），但您可以隨時改選其他方案。SCE會繼續輸送電力，寄發電費帳單，解決所有電力服務問題，並對符合條件的用戶提供獎勵。

請注意：您的鄰居可能已開始獲得清潔電力聯盟的服務，但由於SCE的系統發生問題，導致您登記成為本公司用戶受到延誤。

如要瞭解詳情，更改方案，或退出服務並回到SCE，請致電888-585-3788 (TTY 323-214-1296) 或瀏覽 cleanpoweralliance.org 與我們聯繫
