

Need Help Paying Your Bill? Clean Power Alliance is here to help.

Take advantage of the financial aid resources available to you.

CPA's Power Share Program

Income qualified residential customers can save 20% on their electric bill each month.

Arrearage Management Plan (AMP)

Debt-forgiveness program for customers with at least \$500 in past due electricity bills with some portion of the debt at least 90 days past due.

CPA's Power Response Program

Customers with smart thermostats or battery energy storage systems can receive financial incentives for modifying their energy equipment use during times of peak energy demand between 4-9pm on weekdays.

Select the Lean Power Option

CPA offers three energy option plans with varying levels of clean energy; the Lean Power Option is the most affordable.

California Alternate Rates for Energy (CARE)

Reduces energy bills by about 30%. Qualification is based on participation in public assistance programs, or on household income.

Family Electric Rate Assistance (FERA)

Reduces electric bills by 18%. Qualification is based on participation in public assistance programs, or on household income.

Medical Baseline

If someone in your household needs powered medical equipment, this program provides additional energy to your normal baseline allocation, saving you money.

Summer Discount Plan

Earn a discount of up to \$180 on your electricity bill by allowing SCE to shut down your air conditioning during emergencies or periods of high electricity demand.

Level Pay Plan

Offers eligible customers the opportunity to pay their electricity costs across equal monthly payments.
