

# Get Recognition for Being 100% Green!

## Green Leader Program

Our Green Leader program celebrates your commitment to a clean energy future.

Be recognized for your environmental leadership!

## Green Leaders, powered by 100% Green

As a 100% Green Power commercial customer, you are building our clean energy future.

Choosing 100% Green means your business may be eligible to receive Green-e® certified renewable energy to meet your sustainability goals.

Take the next step and join CPA's Green Leader Program. Your business will be highlighted by us so your customers and community are aware of your commitment to sustainability. You'll join a network of other municipal and commercial leaders building a thriving green economy together!

## Benefits

- Green Leader promotional toolkit
- Presence on our Green Leader webpage
- Features on CPA's social media
