

CAMPAIGN CONTRIBUTION DISCLOSURE FORM

Government Code Section 84308

In accordance with California law, bidders and contracting parties who wish to do business with CPA are required to disclose, at the time a proposal to a Request for Offer ("RFO") or Request for Proposal ("RFP") is submitted or pre-qualified provider receives a Task Order solicitation, information relating to any campaign contributions made to Clean Power Alliance of Southern California's (CPA) Regular or Alternate Directors, including: the name of the party making the contribution (which includes any "participant," parent, subsidiary, paid "agent," or otherwise related business entity, as defined below, including anyone who the party retains to lobby, testify, or otherwise influence a proceeding), the amount of the contribution, and the date the contribution was made. See, 2 Cal. Code of Regs. (C.C.R.) §18438.8(b).

California law prohibits a party, participant, or an agent, from making campaign contributions to a CPA Director of more than \$500 while their contract is pending before the CPA Board. "Agent" is defined in 2 C.C.R. § 18438.3. A "participant" is defined in 2 C.C.R. § 18438.4.

For purposes of reaching the \$500 limit, the campaign contributions of the bidder or contractor plus contributions by its "participants", and "agents" of the proposer, contractor or bidder are added together during a 12-month period. You must review 2 C.C.R. §18438.5 in order to determine who and how contributions are aggregated.

In addition, a party must disclose the names of any person related to the party has made a contribution to any CPA Directors within the preceding 12 months, including the amount of the contribution and the names of the contributors. A party has a continuing obligation to disclose any contributions made during the pendency of the RFO, RFP, or Task Order Solicitation. A party must disclose such contribution no later than 30 days of making a contribution to a CPA Director or at the time the party first appears before CPA's Board, whichever is earliest. 2 C.C.R. §18438.8(b). A CPA Director must also disclose and abstain from voting on a contract or permit if they have received a campaign contribution from a party or participant to the proceeding, or agent, totaling more than \$500 in the 12-month period prior to the consideration of the item by the CPA Board. Gov't Code §84308(c); 2 C.C.R. §18438.8(a).

The names of the Regular and Alternate Directors and their member agency are attached hereto as Attachment 1.
