

## CLEAN POWER ALLIANCE PEAK MANAGEMENT PRICING PROGRAM

Clean Power Alliance's Peak Management Pricing (PMP) program is an event-based rate option that provides bill credits to participating customers in the summer during on-peak non-event hours, and incremental bill charges for on-peak electricity usage during PMP events.

**HOW IT WORKS:** Participating customers receive bill credits during the summer months of the program (June-September) in the form of monthly on-peak energy credits for residential and small business customers on energy-only rates, or monthly on-peak demand credits for commercial, agriculture and pumping, and industrial customers on rates that include a demand charge. During PMP events, participating customers are billed an incremental surcharge on any energy consumed during on-peak hours (4 p.m. to 9 p.m.). Accounts enrolled in the PMP program will continue to be billed in accordance with the account's otherwise applicable CPA and SCE tariffs, rates, and policies (OAT).

CPA will call no more than fifteen (15) PMP events per calendar year, which will be limited to non-holiday weekdays. These event days typically occur on the hottest days of the summer when electricity prices are high. Customers are notified via email or text at least 24 hours in advance of an event so that they can prepare to reduce their energy use between 4 p.m. to 9 p.m. on the following day. Events can occur on consecutive days but will not exceed three per week except in the event of a grid emergency. Please visit [cleanpoweralliance.org/pmp-program](https://cleanpoweralliance.org/pmp-program) for more information and to access the [Peak Management Pricing Tariff](#) for program terms and conditions.

**BILL PROTECTION:** Customers enrolled in PMP will receive a one-time Bill Protection credit if the customer was billed an amount greater than they would have been billed under their CPA OAT without PMP, for up to the first 12 months of enrollment in the PMP program.

Please refer to the [Peak Management Pricing Tariff](#) for full details.

**RATES:** Please refer to Attachment A for surcharge and credit rates for the PMP program.

**HOW TO ENROLL:** Please complete a PMP Enrollment Form (Attachment B) and send to [customerservice@cleanpoweralliance.org](mailto:customerservice@cleanpoweralliance.org).

### PEAK MANAGEMENT PRICING PROGRAM RATES

Effective as of July 1, 2025

Clean Power Alliance rates are subject to change and are adopted at duly-noticed public meetings of the Clean Power Alliance Board of Directors, available at [cleanpoweralliance.org/agendas](https://cleanpoweralliance.org/agendas). The most current PMP rates can be found at [cleanpoweralliance.org/pmp-program](https://cleanpoweralliance.org/pmp-program).

Rate Schedule	Event Surcharge	Summer Incentive Credit
<b>Residential Rates</b>		
TOU-D-4, TOU-D-5, TOU-D-PRIME, TOU-D-PRIME-SOP (also known as TOU-SMART), TOU-D-A, TOU-D-B, TOU-D-T	\$1.00/kWh	\$0.18963/kWh
<b>Non-residential Rates</b>		
TOU-GS-1-E, TOU-GS-1-ES	\$1.00/kWh	\$0.17054/kWh
TOU-GS-2-D	\$1.00/kWh	\$8.56/kW
TOU-GS-3-D	\$1.00/kWh	\$9.44/kW
TOU-8-SEC-D TOU-8-PRI-D TOU-8-SUB-D	\$1.00/kWh	\$10.28/kW \$10.65/kW \$10.55/kW
TOU-PA-2-D, TOU-PA-2-D5	\$1.00/kWh	\$7.10/kW
TOU-PA-3-D, TOU-PA-3-D5	\$1.00/kWh	\$7.73/kW

**Event surcharges** are applied to all energy usage from 4 p.m. - 9 p.m. during PMP events.

**Summer incentive credits** are applied to energy usage in kWh from 4 p.m. - 9 p.m. on non-event non-holiday weekdays from June 1 to September 30 for all residential rates and for TOU-GS-1 and TOU-GS-1-ES rates. For all other non-residential rates, summer credits are applied to maximum monthly on-peak demand in kW from 4 p.m. to 9 p.m. on non-event, non-holiday weekdays from June 1 to September 30.

Effective July 1, 2025. Rates subject to change. See [cleanpoweralliance.org/pmp-program](https://cleanpoweralliance.org/pmp-program) for program details and current rates.
