# Introduction

## About Our Rates

Clean Power Alliance's rates are determined during CPA's annual rate setting process by CPA's Board of Directors at a duly noticed public meeting. Rates are subject to change. CPA's meeting agendas are available at:

<https://cleanpoweralliance.org/agendas-minutes/>

Clean Power Alliance is committed to giving every customer the opportunity to be a champion for clean energy, as well as ensuring our customers have choices when it comes to their energy needs. At any time, any 100% Green customer can choose to move to our **Clean Power** option, which provides 50% clean energy content at cost-competitive rates, or our **Lean Power** option, which provides 40% clean energy content and usually offers a rate savings compared to SCE base rates. Customers can change their rate product option by contacting our Customer Service Center at 888-585-3788, or visiting our website at <https://cleanpoweralliance.org/rateoptions/>

**The rates shown in this document are for electric generation/supply only. Please visit [SCE.com](https://www.sce.com) for delivery rates and schedules.**

## 100% Green Power for CARE, FERA, and Medical Baseline Customers in Default Jurisdictions

Herons Beach, Monrovia, and Santa Paula have selected **100% Green Power** as their default CPA rate product. Customers in these jurisdictions that participate in California Alternate Rates for Energy (CARE), Family Electric Rate Assistance (FERA), or Medical Baseline receive **100% renewable power** at a reduced cost.
