Introduction

About Our Rates

Clean Power Alliance's rates are determined by CPA's Board of Directors at duly noticed public meetings. Rates are subject to change. CPA's meeting agendas are available at: <https://cleanpoweralliance.org/agendas-minutes/>.

Clean Power Alliance is committed to giving every customer access to clean energy and choices when it comes to their energy needs. At any time, CPA customers can switch to our **100% Green Power** option, which provides 100% renewable energy, our **Clean Power** option, which provides 50% clean energy, or our **Lean Power** option, which provides 40% clean energy and usually offers a bill savings compared to SCE base rates. Customers can change their rate product option by contacting CPA Customer Service at 888-585-3788 or visiting our website at <https://cleanpoweralliance.org/rateoptions/>.

The rates shown in this document are for electricity generation/supply only. Please visit SCE.com for delivery rates and schedules.

Reduced Rates for CARE, FERA, and Medical Baseline Customers in 100% Green Power Default Jurisdictions

Customers in these jurisdictions that participate in California Alternate Rates for Energy (CARE), Family Electric Rate Assistance (FERA), or Medical Baseline receive **100% Green Power** at a reduced rate.
